

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 662 – HB 926

February 22, 2011

SUMMARY OF BILL: Requires the Department of Transportation (TDOT) to report to the General Assembly a long-range and coordinated statewide transportation plan with specific plans, goals, the estimated cost required to implement the plan, and performance criteria for all transportation modes. This plan would be revised and submitted at least annually. Future expenditure and funding recommendations by TDOT would be based upon this plan.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- TDOT is currently required to report annually to the General Assembly a multimodal transportation improvement program based on the long-range statewide transportation plan. Any increase in state expenditures as a result of adding the proposed information to the report is estimated to be not significant and can be accommodated within existing resources without an increased appropriation or reduced reversion.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in blue ink, reading "James W. White".
